## Specification

Product name: 4-Amino-1-naphthol hydrochloride	
Product code: JA0076	Chemical Formula: C <sub>10</sub> H <sub>10</sub> ClNO
CAS No.: 5959-56-8	MW: 195.65

Item	Specification
Appearance	Purple to light brown powder
Purity (HPLC)	>95%
Identity (HNMR)	Conform to structure
Loss on drying	<1%
Solubility	Soluble in ethanol and methanol

**Notes:** Protect from light and moisture air. Store at room temperature.
