
Specification

| | |
|---------------------------------------|-----------------------------------------------------------------|
| Product name: 1,6-Anhydro-b-D-glucose | |
| Product code: TA0250 | Chemical Formula: C ₆ H ₁₀ O ₅ |
| CAS No.: 498-07-7 | MW: 162.14 |

| Item | Specification |
|-------------------------------------------------------------------------------------|---------------------------------------|
| Appearance | White to off-white crystalline powder |
| Purity (HPLC) | >98% |
| Water content (KF) | <1% |
| Specific optical rotation [α] _D ²⁰ (c=2, H ₂ O) | -64 to -68° |

Notes: Protect from light and moisture air. Store at room temperature.

Address:

Suit 306, Building B2, No.2 Tianerdang Road
Fumeng SI-Park,
Wuzhong District, Suzhou City
China
