## Specification

|                         |  |
|-------------------------|--|
| Product name: Amoxapine |  |
| Product code: JA1144    | Chemical Formula: C <sub>17</sub> H <sub>16</sub> ClN <sub>3</sub> O |
| CAS No.: 14028-44-5     | MW: 313.78   |

| Item               | Specification          |
|--------------------|------------------------|
| Appearance         | White to yellow powder |
| Purity (HPLC)      | >98%                   |
| Identity (HNMR+MS) | Conform to structure   |

**Notes:** Protect from light and moisture air. Store at room temperature.
